London South District Regulation: No vehicles, except those of the Timekeepers and Event Officials, shall be parked in the vicinity of the start or finish areas.

Competitors are requested not to warm up on the course after the first competitor has started.

IN THE INTERESTS OF YOUR OWN SAFETY, CTT regulations require the compulsory use of helmets for the under 18s. Cycling Time Trials and the event promoters strongly advise all competitors to wear a hard/soft shell helmet that meets internationally accepted safety standards. It is recommended that a working rear light, flashing or constant, is fitted to competitors machines in a position clearly visible to following road users and is active while the machine is in use.

Hazards:

There are numerous roundabouts on the course so please use caution when negotiating these. To date there are no other hazards, however, please check at sign on for further updates. All competitors must take note of these details when they sign on.

PLEASE KEEP YOUR HEAD UP AND OBSERVE THE HIGHWAY CODE.

After passing the finish, riders are requested to continue on to HQ where result board will be located. All prizes will be distributed with the result sheet.
