SCA 2 Up TTT

Sunday 29 March 2009

The VC St Raphael pairing of Steve Geran and Phil Sykes win the SCA 2up team time time trial.

Mark Jones reports....

A cold morning with -2 C at the HQ first thing. The frost had cleared by the time the first riders finished but it never really became warm. All rides were grateful for the calm morning, but most rode in longs or leg warmers. The course was surprisingly tough, especially on the second lap!

The new GS/987 course features some deceptively testing roads so not only have the VC St Raphael boys set a high standard for the course time, they did it very convincingly.
