### Wildside 707 bag the GS Stella 10

The Kent based team overcome a depleted field to take top spots in the overall and team awards.

Simon Mcnamara narrowly edged out Steve Dennis to win with an excellent 21:13 and was joined by Roger Smith and James Makepeace to claim the top team prize from promoting club GS Stella.

With strong winds and generally grim conditions most of the finishers put in times well under their usual pace. With 16 DNS' on the day it really was a case of being in it to win it.
