Brighton Mitre Hill Climbs

Saturday 10 October 2009

Pete Tadros of In-Gear continues his excellent form to claim the Brighton Mitre Hill Climbs.

Continuing on from his recent wins on the Kingston and Wigmore hill climbs, Tadros claimed 1st place on both the morning climb of Steyning Bostal, and the longer afternoon run along Mill Lane.

Chris McNamara (Team Chorley) put in a fine effort to claim second spot in the morning climb. His 4:13.3 was almost 7 seconds faster than last year's winner and third place man, Tim Wallis (SURC), but was 11 secs adrift of Tadros.

Guy Powdrill (London Dynamo) claimed 4th spot with Jim Cheek of In-Gear claiming fifth.

The afternoon event is more of a hilly time trial though finishes with a deceptively long drag. The northerly head wind certainly wouldn't have helped either but once again Tadros was in a class of his own, storming to the finish with the only sub 8 minute ride of the afternoon.

Such was the quality of of Tadros' 7:36.9 time, second place man Tim Wallis was a massive 26 seconds behind with 8:02.9. Guy Powdrill moved up one place to claim third with Chris McNamara fourth and Andrew Edwards (Rollapaluza) fifth.

With an eye on the overall placings for this weekend of hills, the BEC CC trio of Keith Coffey, Shaun Kennedy and James Hughes claimed the team prize on both events.
