Event Report

Brighton Mitre Memorial 25

Sunday 25 October 2009

Ben Instone of Scientific Coaching narrowly beat East Grinstead's Steve Dennis on the Brighton Mitre Gerry Jackson Memorial 25.

The 2008 event saw heavy rain so it was with some relief for Robin Johnson that the sun was out. Whilst it was nice and bright, by all accounts the wind seemed to come from all directions, which probably accounted for some relatively slow times.

With Richard Prebble a DNS, it was down to Dennis and Instone to see who was going to claim top spot. In a case of what could have been, Dennis was pipped by 7 seconds, time which he easily lost getting caught up in traffic.

Adam Topham of High Wycombe CC also had a troubled ride, with a late start and an extra lap of a mid course roundabout. Had he not of had these incidents, there was a chance he could have claimed third, which on the morning went to Dave Wheeler of Rye & District Wheelers.

The evergreen John Woodburn of VC Meudon put in a storming ride to claim 16th overall and fastest Vet with +21.29. Shay Giles (VC Elan) was second vet with +16.10.

In the Hub Gear 'Tin Can' 25, Mark Silver of Hounslow & District Wheelers convincingly took top spot with 1:3:22. Nick Smith of Brighton Excelsior was the fastest Junior with 59:42 and Deborah Percival of 34 Nomads CC was quickest lady with 1:8:59.

Father and son duo Peter and Tom Baker of Lewes Wanderers CC took the tandem top spot with an excellent 57:51.
