## Notes & acknowledgements:

Thank you for supporting this Sussex Cyclists' Association event and my maiden promotion, which I'm personally glad went well even if the weather didn't play ball. One minor hiccup was the misplacing of Mr James Horan who appears to have got swallowed up in a rush of triathletes and didn't get a time. James has very kindly declined my offer to refund his entry, so my apologies and thanks for that.

Congratulations to all the prize winners, Dr Hutchinson with a comfortable 1:40 margin, Mel Robertson the highest plus vet, In-Gear the team and Nick D's daughter Sarah, fastest lady. Shame Sarah didn't have any competition on the day.

Last, but no means least, a special thank you to all the folk who helped out with time keeping, marshalling and results. As a rider you have a decent idea of what's involved in putting on a promotion, but it's amazing the amount of little details that need attending to. I am therefore indebted to the following folk for their help.
