Event Report

Southborough & District Wheelers 25

Sunday 15 June 2014

Phil Allen of Lewes Wanderers upsets the form book to record his maiden win in an open event.

The leading four riders were as seeded prior to the event, but the order was not necessarily one that could have been predicted. Phil continued on with a rich vein of recent form to claim first place by a mere seven seconds. In doing so he improved on his previous best (for the past three seasons) by a huge +01:16 to record a time of 54:06. This was to prove crucial as all of the next three riders were off their best pace.

Steve Kane of Brighton Excelsior was at -01:35, Pete Morris of Team ASL360 at -01:07 and Sean Scott of In-Gear Quickvit Trainsharp RT at -03:02.

Phil's winnings for the day were increased by being part of the winning team that included Samuel Ramsey and Mark Paton.

Rachel Bailey of Crawley Wheelers took the Ladies' prize.

Congratulations to Phil Allen who also holds the AJ Bathurst Trophy for a year and all other prizewinners. Cheques will be in the post.

Many thanks to all competitors who enjoyed cool and increasingly breezy conditions this morning. Entries were well up this year which was gratifying, and enabled me to increase the prize fund.

As always, thanks also to the small army of marshals and helpers as acknowledged below - without you the event certainly would not have been possible. Last but certainly not least, thank you Ann for the impeccable, and extremely quick results service.

This is a BBAR qualifying event
