SCCU

SOUTHERN COUNTIES CYCLING UNION

With no entry from Steve Dennis this year, we have a new winner for the first time in many years and congratulations must go to Steve Kane to produce a 1:52:22 around that course is an awesome ride, although run close by Pete Morris, 1:53:01, Pete doesn't feature as his club, Team ASL 360 are not affiliated to the SCCU.

Helen Bullimore was once again the fastest lady having just edged out Katie Crowe by 17 seconds, but Katie did take the handicap award by virtue of improving on her previous PB by some 12 minutes....chapeau! from evergreen youngster, Mike Morley, Kingston Phoenix RC.

I must mention the age standards, or target times as they now seem to be known....Ray Dare, an octogenarian, rode to an age record 10 the day before riding the 50, setting a mark of 27:57 for an 88 year old, and then went on to an astonishing 2:52:01, which I believe is also an age record!!

And to Paul Burton, with a comment on his entry form "I've not ridden a 50 before but as a fairly strong rider expect to do 1:55 -2:00" – and he did 1:57:22...not bad eh?????

Lewes Wanderers were pipped to the team award this year by Epsom CC – got to carry that "fireguard" away with you from the luncheon awards ceremony.

Commiserations must go to Dan Cole – 2:00:02 where did those 3-seconds go? At least he came away as fastest veteran!!

Congratulations not just to all the prize-winners, but to everyone who rode on the revised course, which we know is much harder than the G50/53, but we have been usurped by traffic cones.....the bane of an organisers life!!!

Many thanks to everyone who helped make the event a success – much work goes on unnoticed behind the scenes, mainly by Tony Alston arranging the marshals, who all did a great job. Also many thanks to Bryn Tully for putting out all the direction signs, making the route really clear, and most definitely to Rod Starmer for his great baking abilities!!

Now that's done and dusted – til we see you all again next year...

Or up the road

Paul
