Christian Yates (East Grinstead CC) wins in a much depleted field

Very poor conditions with lashing rain and blustery winds meant that there were almost as many opting not to start as those who did decide to brave the elements.

As it turned out the weather eased slightly just before the start although the roundabouts remained treacherous and one rider did come to grief with his back wheel slipping from under him.

The big holes in the start list gave the start officials quite a few quiet periods. However the riders did their best to keep them alert. One turned up at the start line with the wrong number affixed. One even turned up with his number affixed back to front, thus hiding the number completely - surely a first!

Christian Yates was the fastest on the day with a 21:26 well ahead of the second placed rider.

Helen Bullimore (Train Sharp RT) was the fastest lady on 25:28.

Dave Warne (Old Portlians) took the main Vets prize - the Lou Smith Salver and the Old Members Trophy.

Kingston Phoenix took the prize for the fastest team of 2 Vets on standard.

A hearty thanks to everyone who supported this promotion. An even bigger thank you to all those riders who actually faced the timekeeper. Fortunately conditions did improve considerably by the time the first rider departed. For many, a soggy bum was a small price to pay for a season's or in some cases a personal best.

Found seeking asylum at the HQ, one small rain jacket. Please contact me for it's safe return.

Gone walk about, one mid blue Nike shirt if anyone has any info that will lead to its recovery please let me know.
