## Event Report

### ...a3crg ...a3crg Middle Markers 25

Monday 14 July 2014

---

This overflow event has a qualifying time of 57 minutes or more. Well ten riders improved upon that time on the night.

The weather was not quite as favourable as the June event, being dark and windy. But that didn't stop riders looking to improve their times on the popular P885/25 course.

The standout ride came from Michael Stafford (Portsmouth North End CC) with a 53:43, thus improving on his best of 57:26. Very close behind him was Matt Kuwertz (Southborough & District Wheelers) with a 53:50. Matthew Trott (Kingston Wheelers CC) completed the podium places with a 55:06, improving from his prior best of 57:32.

The team prize was keenly contested with only 48 seconds covering the top three places. The podium positions here were:

1. Blazing Saddles (Dominic Chapman, Jason Burkinshaw, Rob Charles)
2. Kingston Wheelers (Matthew Trott, Adam Bidwell, Matthew Whitaker)
3. Worthing Excelsior (Trevor Leeding, Mike O'Gorman, Mark Newnham)

Fastest lady was Alice Lethbridge (Kingston Wheelers) with a 58:51

Len Benton (Colchester Rovers CC) took the Vets prize.

Finally, a special mention must go to David Collard-Berry and the whole of his a3crg organisational team. What a superbly run event, even down to a marshall with a red flag helping to keep things safe.
