...a3crg ...a3crg Oktoberfest 25

Saturday 5 October 2014

Lots of fast times on a very chilly October morning.

A massive change in the weather meant that although remaining dry it was bitterly cold, being down to 1 degree for the early starters. This undoubtedly played a part in a quarter of the field not making it to the start line.

Despite the temperatures there were some extremely fast times recorded, and perhaps that should be no real surprise given the quality of the entry.

Kevin Tye (Velorefined Aerosmith) pipped James Lowden (Lewes Wanderers) for the overall win.

Leslie Walkling (VC St Raphael) was the fastest lady, and Velorefined Aerosmith took the team prize. 57 riders beat the hour mark.

Thank you to everyone who helped to make the event a success.

Well done to everyone that rode, it was very chilly, but at least it wasn't raining!

Despite the cold there were some fantastic times recorded for October!
