Afterthoughts

Not only were we blessed with 'not so bad' weather conditions and 'not so bad' road conditions we were also blessed by the Bishop, with his Mitre and Crook, when the HQ was invaded by the congregation of St. Mary the Virgin!

Being Palm Sunday, it was their tradition to process through Bletchingley to the Parish Church waving their palm branches, having congregated at the Village Hall, our HQ!

Luckily the donkey was left outside and I am pleased to report that they had finished their Hosannas and Hallelujahs and departed before the riders returned.

Anyway, back to the cycling.

Many congratulations to each and every one of you who pitted all your strengths against this very testing course but especially to Carl Ferri who won the Vets and Overall competitions with an excellent ride and also Katie Crowe, who took the Woman's Crown, improving her last years' time by 45 seconds.

Finally I would like to thank you all for entering and supporting the cause and if you promise to come back again next year, I will promise to make even more bread pudding!

Bryn

P.S. Three items of clothing were abandoned at the HQ. A Salisbury jacket, a Black and White Garneau Jacket and a Yellow Garneau Gilet. Please contact me to arrange repatriation.
