Lost Property

A Black Gilet and a pair of Sun Glasses (forever optimistic) with red arms were left at the HQ. Please contact me for repatriation.

After thoughts

Looking back on a damp and blustery Saturday morning, I am pleased to say that you all remained remarkably cheerful and I greatly appreciate that none of you managed to fall off or upset any of our fellow road users!

I was impressed by the general speed of you all but in particular the pace of our winner, Christopher McNamara with 20:11 just beating his brother, Simon, by six seconds. In the Ladies competition it was equally close with Sarah Phelps clocking 25:52 just four seconds ahead of Rachael Haley and likewise with the Juniors, Nick Martin at 24:06 was just twelve seconds ahead of Theo Tadros.

Well done, not only to all the prize winners, but to all of you who participated in the Event.

I think that it is noteworthy that of all the entry of eighty nine riders, three were Juniors, five were Women, sixteen were Seniors and sixty five were Veterans. We must find a way to encourage more 'younger' riders and women to participate to keep the sport alive.

Thank yous

I would also like to express my Thanks to the Army of Helpers who roused themselves from their beds at a ridiculous time on a Saturday morning and without whom there would have been NO event.

So, in no particular order I am grateful to:-

Peter Delve Horsham CC Assistant Timekeeper and

Frank Cubis Kingston Phoenix CC Timekeeper
