

The AXIOM TEAM Weekender

The Results Are In!

The results of a weekend of head banging up and down the A3 on the 11th and 12th June 2016 – Promoted for and on the behalf of Cycling Time Trials under their rules and regulations.

I hope you all had a good time at this year's Weekender. It was definitely a weekender of two halves! Saturday was fine and obviously suited, as Michael Hutchinson's 15 year old course record was broken twice; Rob Sharland of Paceline RT now being the owner of that record at 18:49, 11 seconds clear of Fareham Wheelers' Paul Ashley in second. Rachel Elliot of Newbury CC scooped the 1st place in a rapid 20:36 in the women's competition ahead of i-team's Caitlin Peters.

Although the predicted poor weather didn't stop the race on Sunday, it did put off over half the field. Although no records were broken, Keith Lea kept Paceline RT winning ways alive, nearly breaking the 50minute barrier to claim 1st place. Gary Chambers (Fareham Wheelers) and Tom Pritchard (Hampshire RC) taking 2nd and 3rd places.

Bigup, nuff respect, list of thanks:

Before you get to the bit you really want to read (!!!), I'd really like to say thanks to all our volunteers: Our time keeping crew - Graham Edwards, Rita Ludford and Des Ludford. Joe and Tony who pushed you all off. The marshals and kitchen helpers Will, Helly, Pete, Luke, Sarah (and Imogen!), Len and Cathy who pointed you in the right directions, and served you hot drinks, cakes and biscuits! Without you guys, this would not happen!

Finally, Many thanks to you all – I hope to see you all again next year. Tim (Event Sec.)
