Paceline R.T. Open 25 mile Time Trial

Saturday 18th June 2016, 2pm

Course G25/44

I have the pleasure of attaching the results of the inaugural Paceline RT 25.

Paceline RT was formed in 2014 with a pledge to promote races and give back to the sport we love.

Many thanks to all those who entered the event. G25/44 is an honest sporting course that has not been used for a couple of years. I heard comments from riders that it provided some welcome variety to the calendar at this stage in the season. I hope that you are able to enter future Paceline RT promotions.

I would like to thank our timekeepers: Mick Irons and Richard Meed, and the calm experience they both brought to proceedings.

I would also like to thank my fellow members of Paceline and their friends and family for marshalling and other volunteering duties, including providing some tasty home baking.

Finally, I would like to pay tribute to Frank Cubis, who died recently. Earlier this year, Frank had generously agreed to be a timekeeper for this promotion, something that he had done for a huge number of open and club TTs across the London South district for many years. Frank was a fantastic person who truly loved the sport, he will be greatly missed.
