Competitors' Machines:

It is recommended that a working rear light, either flashing or constant, is fitted to the machine in a position clearly visible to following road users and is active while the machine is in use.

Other Safety Instructions:

CTT regulations require the compulsory use of helmets for the under18s. In the interests of your own safety, Cycling Time Trials and the event promoters strongly advise all competitors to wear a hard/soft shell helmet that meets internationally accepted safety standards.

Competitors must exercise extra care when negotiating roundabouts. You are advised that traffic using the Breezehurst Roundabout and passing in front of riders entering the roundabout on the outward leg of the course cannot normally be seen until the rider is approximately 15 metres from the entry.

Competitors are advised that there is a regular Saturday morning car boot sale at the Faygate Roundabout. Vehicles normally park in the lay-by on the side of the road immediately after the roundabout on the return route and pedestrians can be expected to walk along the carriageway in both directions at this point.

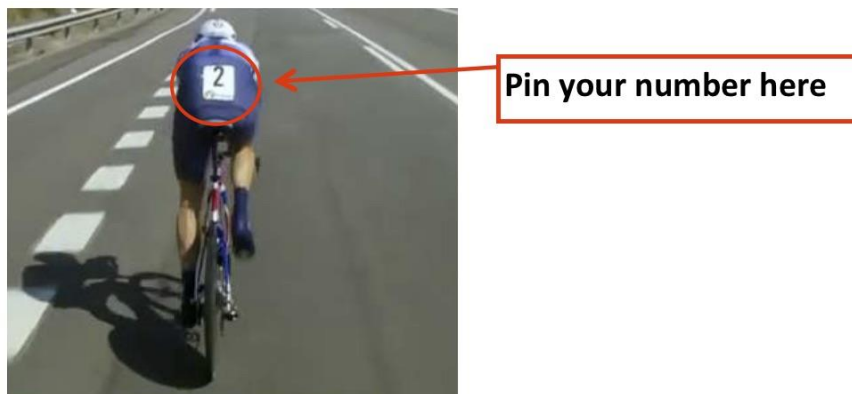

Competitors are requested not to warm up on the course after the first competitor has started.

No times will be given at the finish.

Official Observers will be stationed around the course.

Details of any additional hazards not listed on the Start Sheet will be displayed or advised at the Signing On point. All Competitors must take note of these details when they sign on.

Race Numbers must be placed correctly for maximum visibility to timekeepers and other road users:-

No time may be recorded if number is not correctly positioned.

**..and finally, keep your head up and have a safe ride.
I look forward to seeing you all on Saturday 25th June.**
