SCCU

SOUTHERN COUNTIES CYCLING UNION

Mark Smith once again produced the winning ride on the day, although was disappointed that he was only 29 seconds faster than last year “I’m going much better this year.....” he told me!!! I wouldn’t be disappointed with 1:52 round that course!

Who is to say Mark won’t make his hat-trick next year?

Brindley Taylor also from the Crawley Wheelers came in second and with the back up from Robert Zietal, put their stamp on the team award, followed by Bec CC and Brighton Excelsior.

Mark was also fastest veteran on time, but fell short on vets target time, this time dominated by Mike O’Gorman, Worthing Excelsior who had a plus of 22:09.

Tom Haughton, Brighton Excelsior produced a massive 14 minute improvement on his PB to take the handicap award!!!!

Alys Matthew Clapham Chasers was a clear winner of the women, but by virtue of not belonging to the SCCU, that honour went to Madelaine Lee-Smith Oxted CC.

Congratulations not just to all the prize-winners, but to everyone who rode on this course, which we know is much harder than the old G50/53, but we have little choice given the wholesale development of the road system in this crowded part of the South East.

Many thanks to everyone who helped make the event a success – much work goes on unnoticed behind the scenes, Mick Irons, our timekeeper, Tony Alston arranging the marshals, who all did a great job; also many thanks to Bryn Tully for putting out all the direction signs, making the route really clear, and most definitely to Rod Starmer for his great cakes, and for arranging checking the course.

It was unfortunate that some clubs did not come forward to meet their marshalling commitment and the last minute call for marshals was necessary, but many thanks to those that have done over and above their duty, and hopefully this will make the clubs that do not provide full support sit up and think....and hopefully act next time.

Now that’s done and dusted – til we do it all again next year...

Or up the road

Paul
