I would like to thank all the riders that chose to support this event . I hope your performances were up to your expectations.

I guess for many this was the case, as many of you kept the safety pins from the numbers as a memento.

Thanks to our timekeepers, members and friends of the club, for without you this event could not have taken place.

Chief Timekeeper Mrs L.Donington.

Assistant Timekeeper Mr.M Irons.

To the early finishers who found out that my fail safe system had failed, apologies. Full marks to the manual backup which soon had things back on an even keel. In this compensation culture I did consider allowing a few seconds as compensation for the mental stress that was evident, but that may have set a precedent for unknown levels of discussion.

Lost and Found

Not very much I am pleased to report

One pair of go faster clear non prescription glasses (found in the car park)
