Velopace Butts Lane Hill Climb

Saturday 15 October 2016 – 2 pm

Course number GH/96

The inaugural Velopace Butts Lane Hill Climb turned out to be a superb event. The weather remained dry for the duration of the race which carried all the hallmarks of a classic event in the making. Cheered on by the spectators and encouraged by our MC at the half way point, the riders tackled the climb with great form and determination. It's safe to say that this event is now firmly part of the annual hill climb racing calendar.

With a highly competitive race between the fastest hill climbers, the course record has been established by 1st placed Rowan Brackston of Imperial College Cycling Club with a storming time of 3m38s. Close behind was 2nd placed hill climbing legend Bill Bell with a 3m42s ride and local climbing hero Peter Tadros with 3m49s to take 3rd place. Peter's 14 year-old son Theo took 8th overall and fastest Juvenile with 4m23s.

Fastest lady Jocelin Lowden was 12th overall with a stunning 4m35s climb. Congratulations also to Nick Martin, fastest junior with 4m7s which put him 7th overall.

The fastest team award goes to local club Eastbourne Rovers, establishing Matt Woods, David Clark and Bob Humphrey as their Butts Lane champions. Well done to all riders and we look forward to seeing you again next year.

Our thanks go out to the people of Willingdon, Eastbourne Borough Council, The Wheatsheaf Inn and of course official race timekeepers Richard Meed and Mick Kilby along with the volunteers and officials, without whom this event would not have been possible.
