LOCAL DC REGULATIONS

No cars (other than that of the timekeeper) to be parked in the vicinity of the start or finish

All breaches of local regulations shall be reported, in writing, to the London West District Secretary.

Riders must not cross the central reservation to reach the start from the HQ. Go eastward through Bentley village to join the A31, cross to the right-hand lane, taking care where the hutchings narrow the carriageway.

After 850yds (there are lane markings), cross to the south side of the A31 at Gravel Hill road junction and continue for 760yds to the lay-by.

After finishing, riders must continue to a break in the central reservation (the Kenwick Lane break must not be used for this purpose), crossing over with great care and proceeding westward along the Bentley by-pass to fork left onto the slip road.

SP Bentley W. Turn right at the T junction and the Bentley Memorial Hall is ahead of you at the X-rod.

When negotiating Cusdridge roundabout riders must not utilise their hi-bars.

Do not leave large gaps between vehicles when parking at the HQ.

Do not park on the roads adjacent to the HQ.

Do not park in the private area at the west side of the hall.

ADDITIONAL NOTES

The order of the start is arranged according to a method that minimises accompanied riding in a type A event with more than 30 riders.

In addition to the main body numbers, competitors shall also prominently display a number on the upper-left arm which is clearly visible from the front when in the normal riding position. (for tandems, this is worn by the steersman)

No cycling shoes to be worn inside the hall.

No cycles to be brought into either the hall or the foyer.

When negotiating Cusdridge roundabout competitors should not utilise their hi-bars.

Some sections of the A31 (all dual carriageway) have been reduced to a single running lane. Please ride in a suitable and safe manner appropriate to these sections.
