Thank you to all the riders taking part and entering the event & putting up with the accommodation problems, they will not last forever & I cannot envisage it happening next year, we have the same problem for the next two weeks and a date in July. There is still a lot of enthusiasm for the events with around 50 entries returned for this edition, hopefully when the forlorn riders study the times they may not feel so bitter towards us. Please note, the 25 on the 21st June is not a "League Event" and closes on the 11th June.
