Thank you to all the riders that notified me that they would be a DNS before the event, all the reserves that turned up were placed, most by Saturday night ☺

What an event !! that one will go down in the history books, 5 men breaking the old National record, 4 National records broken, what superb rides from those riders, there seemed to be lots of smiling faces around the result board, not only the National CTT records (to be confirmed by CTT), but several VTTA age record were broken as well.

Congratulations to all the award winners, but especially to Adam Duggleby & Alice Lethbridge for recording the fastest 100's ever, also to GS Metro for taking 16 minutes off the team record, what incredible athletes you all are.

I would like to thank all the army of helpers that came out from the ECCA clubs to marshal at such an unearthly hour and a special thanks to Dave Nock who took over on the day so that I could ride, Dave also put all the fantastic signs out on the Saturday as well, also a big thank you to Tim & Becki Groves our timekeepers.

Finally thank you to all the riders for supporting the event and being nice and quiet on your arrival at the HQ, it's a great facility, I was surprised not to see anyone in the bar after celebrating, but then the clash with father's day maybe riders had to get home, see you next year.

The splendid catering at the HQ was done for charity and thanks to your generosity they raised £183
