SCA TT Racing Secretary Report to the AGM 21st November 2018

22.8 Miles Hardriders 4th March, Promoter: Clive Jackson (Central Sussex) 47 entries - event cancelled due to ice and snow.

28.5 miles 2-up TTT 8th April, Promoter: James Stone (Brighton Excelsior) 22 teams entered - Wet and miserable weather. Winners were Mark Smith and Mark Emsley of Crawley Wheelers in 1.00.48, 1st vets team was Ian Cheesman and Martin Booker of Worthing Excelsior CC with a plus of 13.58

10 miles Championship 5th May, Promoter: Jon Fry (Horsham Cycling) 73 entries - Fine day (at last!). The winner was Chris McNamara of Nuun-Sigma Sport-London RT in 19.41 but the SCA Champion on the day was runner-up James Mapley of Blazing Saddles in 20.08. Fastest Woman and SCA Champion was Ruth Summerford of Eastbourne Rovers CC in 23.10. Best Vet was Michael Thyer of Sussex Nomads CC with a plus of 6.55. Fastest Team of 3 was South Downs Bikes / Casco Europe trio Simon McNamara, Kevin Plummer and Andy Tedd with a total time of 1.03.49.

25 miles Championship 6th May, Promoter: Steve Dennis (E.Grinstead CC). 85 entries – Another fine day but cooler. The winner and subsequent SCA Champion was Simon McNamara (South Downs Bikes / Casco Europe) in 52.00. Fastest Woman and Champion again was Ruth Summerford in 59.48. The vet's was won by John Marchment of HuntBikeWheels.com with a plus of 14.19. Fastest team of 3 was the same team from SDB/ Casco Europe with a total time of 2.43.39.

15 miles Championship 16th June, Promoter: Robin Johnson (Brighton Mitre CC). 50 solos and 1 tandem. Record entry for this event and another fine morning. The winner was Simon McNamara again in 32.02 with Angela Radden-Rutt (The Cycle Room) taking the women's award with 40.37. Fastest vet on target time was Chris Lord (Brighton Excelsior CC) with plus 8.39. The team winners were the South Downs Bikes trio of Messrs McNamara, Tedd and Plummer with a total time of 1.40.47. The tandem pair of Jon Frost and David Eccles (Redmon CC) recorded 37.52.

50 miles Championship 1st July, Promoter: Robin Johnson. 56 entries - Hot conditions compared to the SCCU event held a few weeks previously. Chris McNamara destroyed the course record by over 2 minutes to take the event win in 1.46.10 but the SCA Championship goes to brother Simon who recorded 1.49.25 after apparently stopping to relieve cramp. Fastest woman was Rosamund Bradbury (Sigma Sport) with 2.08.53, but again, as her club is not affiliated, the SCA award goes to Lisa Davis (Lewes Wanderers CC) with 2.10.02. Best veteran on target time was Don Parker (Brighton Mitre CC) with +27.22. The same trio from SDB/Casco Europe won the team award in 5.42.22.

100 miles Championship (SCCU event) 22nd July, Promoter: Rod Starmer. Very hot weather. Mark Smith (Crawley Wheelers CC) gets 2nd place to Pat Wright (Paceline) with 3.54.11 to take the SCA Championship. Crawley Wheelers are the only team to finish 3 riders with Smith, Dan Pullen (4.00.50) and Iain Duncan (4.09.37). There were no SCA women finishers.

30 miles Championship 29th July, Promoter: Robin Johnson. 45 entries - Foul weather for a change. Despite this, Essex visitor Colin Ward (Essex Roads CC) smashes the course record

to take the event win in 1.02.49, with Simon McNamara left to pick up the pieces to take 2nd place and the SCA award with 1.04.26. Best (and only) woman to finish was Lisa Davis (Lewes) in 1.19.04. Best veteran was Ben Fielden (GS Stella) with a plus of 13.38, and the usual suspects from South Downs Bikes Casco/Europe (McNamara, Plummer, Tedd) were best team with 3.24.48.

Sporting 10 25th August, Promoter: Robin Johnson. 45 entries. A fine summer morning (we had to move to a morning start due to a date clash at the HQ) saw last year's winner James Boyman (Hoops Velo) take 2 seconds off his own course record to win in 20.43. Stuart Bettis of South Down Bikes was second in 22.27 with East Grinstead's Mark Bashford 3rd in 23.31. Fastest woman was Lisa Davis (Lewes) in 26.32. Fastest team was South Downs Bikes (Bettis, Kevin Plummer, Andy Tedd).

Sporting 25 27th August, Promoter: Robin Johnson. 32 entries plus 4 in the hub gear event. Another pleasant afternoon but very rough roads! James Rix of Team Bottrill/Vanguard wins in a time just short of Pat Wright's 2017 course record (54.30) in 54.58. Second place went to Steve Dennis (East Grinstead) with 57.23 and third was SDB's Kevin Plummer with 59.34. Lisa Davis was again the fastest woman with 1.05.58. Sussex Nomads trio of Jason Blenkarn Michael Thyer and Peter Marshall won the team in a time of 3.09.34. In the hub gear event, perennial winner David French (Weybridge Wh) walked off with the spoils in 1.04.14.

Sussex Hill Climb Championship 29th September, Promoter: Chris Putnam (Worthing Excel). 20 entries. A disappointing entry for Chris's event on Steyning Bostal. Maybe Saturday morning's are not a good time to run a hill climb bearing in mind that the Sussex Nomads had 118 entries for their event on Ditchling Beacon right at the end of the hill climbing season. Victory this year and subsequently the SCA Championship went to SDB's Richard Cartland in a time of 4mins 10.5secs. Highest + on ctt target times was also Richard with +49.5secs. Gemma Hobson of Sussex Nomads won the womens award with 5min 25.2secs. 1st junior was Francis Scholfield (Preston Park Youth) in 4:38.00. Worthing Excelsior got the team with Nik Allen (4:59.3), John McGrath (5:04.8) and Trevor Leeding (6:01.5) clocking 16mins 05.6secs.

SUSSEX CYCLIST'S ASSOCIATION

ANNUAL GENERAL MEETING – WEDNESDAY 21 NOVEMBER 2018

WEBMASTER'S REPORT

The revamped SCA website based upon Weebly has now completed its fourth year of operation. The original goal of being able to remain on currently supported software without major upheaval has been achieved. I have also been able to change the look and style of the site as well as provide support for a range of devices (PC, iPad, phones etc).

In order to achieve a price discount we operate with a two year licence for Weebly. As we are completing the second year of those licences so payment to renew will be needed at the start of 2019. This will be \$190.80 (approx. £155). A two year renewal with the domain name provider UK2 will also be required at that time (£48).

In 2016 I took the option to reserve the domain name of <http://www.sussexca.uk/> with UK2. The .uk was a new classification. It was free for the first year and I did this simply to keep our options open at that stage. I have since cancelled the option since it became chargeable and there appeared to be no obvious benefit.

Recently I upgraded the site to adopt Secure Sockets Layer (SSL) technology. When a SSL/TLS certificate is installed on a web server, it enables a secure connection between the web server and the browser that connects to it. The website's URL is prefixed with "https" instead of "http" and a padlock is shown on the address bar. If the website uses an extended validation (EV) certificate, then the browser may also show a green address bar. Although we don't conduct financial transactions I believe that it does give another level of trust to users accessing our site.

Feedback continues to be consistently positive and, in addition, usage of the site is promoted via Facebook Groups such as SCA, ESCA, UK Time Trialling, Worthing Excelsior etc.

The facility of [semi-online affiliation](#) for clubs which I set up in 2016 continues to operate well and as a result I have been able to control the re-affiliation process for all clubs. This helps both with also getting in the fees and also being sure which riders are eligible for the various SCA competitions. If required then I am prepared to do this again for 2019.

All race and competition data for 2018 has been kept up to date throughout the season as it has become available. Minutes of meetings are also published.

Course details were adjusted to reflect the new 2018 courses: G25/51, P884C/25, P881R/15, P884B/15, G10/88, G10/94.

=====

For the coming season the list of SCA events has been added.

There is only one new/revised course with the GS/194 Hard Riders course potentially converting to be 25 miles. Details are awaited so that these can be added.

When the revamped SCA site was set up there was a paucity of alternative information, particularly on the CTT site. During the past year the CTT site has come on in leaps and bounds (albeit its course detail is somewhat lacking). There is now some considerable overlap. For 2019 I intend to only include start/results sheets and reports from SCA events with appropriate pointers to the CTT site for other events involving SCA clubs or Sussex based courses.
