AGM NOVEMBER 2019

SECRETARY'S REPORT

Its been another good year for the SCA with plenty of good events promoted and some outstanding rides done both locally and on a National level with several national age records being set by both men and women. Its great to see so many riders pushing the bar ever higher.

On a slightly more negative note its come to my attention that an increasing number of individuals have become disappointed at the CTT and their reluctance to enforce the rules of the sport. After several high profile incidents this season that have gone unpunished is it time that we put more pressure on the governing body to take a less lenient approach. In my opinion the current situation is not good with too many riders not playing by the rules and this mentality needs to change.

ANNUAL GENERAL MEETING – WEDNESDAY 20 NOVEMBER 2019

WEB MASTER REPORT

Course additions/changes included on the website for 2019 were GS/195, G10/69, G10/59 and G10/95. Details for all Sussex based CTT courses have been developed and included on the site since its revamped launch. This year I have been able to submit all of the Open course details into the CTT site (since a transfer mechanism became available). I would expect the CTT site to become the first port of call now.

Event Promoters section has been added as per instruction from Robin Johnson.

Committee meeting minutes continue to be published.

All SCA event start and results sheets are available on the site, plus those for events that are included in the SCA competitions. This includes the KCA 12 hour which returned after a break.

The format of results reporting on the site has been revamped this season (hopefully for the better).

The final set of Competition details for the season have been produced and promoted via the website and via Facebook. This includes all Points and SPOCO competitions, the associated individual/team SCA records, and the Honours boards.

Our current Weebly Pro 2 year licence will be due for renewal at December 30, 2020. Current price is \$190.

Our UK2 Hosting for sussexca.org.uk (Web-Home-Multi : 2 years) will be due for renewal at February 6 2021. Current price is £131.10.

Our UK2 Domain Name registration for sussexca.org.uk will be due for renewal at February 6 2020 at a cost of £9.49.

I have launched the 2020 re-affiliation process for all member clubs using the facility of [semi-online affiliation](#) process which I set up in 2016. This is to make it easier to gather those submissions who are usually quick off the mark.

As reported at the last meeting the current number of affiliated clubs is 24. Possible ones for the future could be In-Gear (as opposed to their main 'offshoot' trainSharp) and Brighton Triathlon Club. Team ASL have changed to become Team TMC (themodel.cloud).
