Once again it was a pleasure to have the privilege of promoting the opening event of the ESCA racing season, and what an event it was! The highest number of entries since I first promoted the event in 2008, and a double header for In-Gear Quickvit Trainsharp's Peter Tadros breaking his own 2009 records for both the course and the prime!

It is always encouraging to have so many newcomers racing for the first time, especially a considerable number of junior and lady riders too. I do hope you all enjoyed it and will be back for more!

A very big thank you to all those that helped and rallied in my time of need, I really do appreciate it – after last year's temporary traffic lights, who thought things could have got any worse!
