Though it was "tough night", "PB's" were recorded by Matthew Hickman, Max Doyle, Michael Renardson & Piers Barnett, well done to you all. Congratulations to Chris Bartley for setting a new Course record for the P883. As to avoid any confusion Chris's time (18:22) is the same as his record for the P881, though he also holds the record for the P881/25 (00:46:50).

Paddy & I would like to thank you to all the competitors for giving us such an exciting 2018 season. In our "Summer Series" (all open events), we have run two 25's, two 15's & eleven 10's (including a middle markers & road bike only) on three different courses. None of this would be possible without the help we receive from members of our own team & members of other teams. The enthusiasm of the riders is the fuel that keeps us going. As for next year, we are not sure yet, as we are always looking for something different, but once again thank you for your support.
